

*We make bidding a click!*

## Designed through Collaboration

Following amendments to Pennsylvania's procurement laws, 24 local agencies worked with two private firms to streamline and significantly reduce the cost of bids and bid solicitation for all stakeholders. This collaborative effort gave rise to the **PennBid Program**.

## No Cost Value for Bidders

The PennBid Program is a single source for vendors and bidders to participate in public, private, and By-Invitation-Only RFPs and RFQs. Bidders are alerted to bid opportunities, have total access to all bid documents and plans, and can provide secure quotes and proposals, all from the comfort of their office, all at **No Cost!**

With the PennBid Program, you have access to RFPs and RFQs posted by all agencies, engineering firms, and private companies. Just as important, they have access to you for private and By-Invitation solicitations by searching the data base for your products or services.

## No Risk Award Based Fee

**The PennBid Program has no subscription or access fees of any type.** A nominal fee of 1/4% is accessed only if you are awarded a contract.

**Solicitations from**  
Municipalities | Authorities | Schools  
Engineering Firms | Private Companies

**All Solicitations**  
Construction | Products | Services | Materials

**Public, private, and By-Invitation-Only  
RFPs and RFQs**

## Testimonials

*"From my view point as a contractor I think this Program is great. I can do this all from my office without wasting time driving. To me it is making bidding much easier."*

Joseph Boileau  
Walter J. Boileau & Company Inc

*"This is a great system! Compared to other electronic bidding systems that can be complex and cumbersome to utilize, PennBid is streamlined and very user friendly."*

Tom Donahue  
General Asphalt Company

*"With PennBid, the bid process was much easier and saved time. Loved it!"*

Linda Emery  
Waste Management of Pennsylvania, Inc

*"I like this process because, as a bidding contractor, it saved time and money. I recommend it for future bid projects."*

Richard Lechette  
Integrations, Inc

## PennBid's growth proves value

Over 240 users from 60+ agencies and private companies take advantage of PennBid for their solicitation management. The Program is currently adding 3-4 new agencies each week.
